

McKesson Patient Care Solutions

Feeding & Cleaning Essentials

These feeding and cleaning essentials can make your routine easier and more productive so you can spend more time enjoying your little one. Medela's collection and storage containers, specialized feeding bottles, and breast milk cleaning products will help you through it all!

Feeding Gift Set™

Contains everything you need to collect, store, and feed your baby. Includes (3) 5 oz polypropylene bottles, nipples, collars and caps; 20 Pump & Save™ bags; and (6) 80 mL (2.7 oz) mini-bottles.

#1051273 | Price \$30.00

Calma® 5 oz Breast Milk Feeding Set

Help ease the transition from bottle back to breast. Your little one will learn to get the milk out of the bottle with the flow control valve, which is most like natural breastfeeding. Includes (1) 5 oz/150 mL bottle, (1) Calma® nipple, (1) cap, 2 lids.

#797200 | Price \$22.00

Quick Clean™ Micro-Steam™ Bags - 5 Count

Sanitize your breast pump and nursing accessories in the microwave in less than three minutes! Proven effective to eliminate 99.9% of common bacteria and germs. Includes five reusable bags, up to 20 uses per bag.

#812218 | Price \$6.30

Quick Clean Breast Milk Removal Soap

Removes stubborn breast milk residue up to three days old. No-scrub soap for use on breast pump parts, bottles, nipples, and even nursing apparel!

#1051271 | Price \$8.80

McKesson Patient Care Solutions

New Mom Essentials

Some moms experience sore or tender nipples as they begin breastfeeding or breast milk pumping. Medela's Tender Care™ line of products and breast care essentials can help provide relief.

Tender Care Lanolin - 2 oz Tube

Specially formulated for breastfeeding moms to help soothe and heal sore nipples. Made of all natural ingredients.

#905388 | Price \$9.98

Tender Care HydroGel Pads - 4-Pack

Soothing gel pads for sore, cracked nipples. Cools on contact for instant relief.

#768087 | Price \$10.00

Disposable Nursing Pads 30-Count

Moisture-absorbing nursing pads provide hours of comfortable, discreet protection. No-show, extra thin design. Self-adhesive tab keeps pads in place.

#905386 | Price \$6.00

Contact™ Nipple Shield

Effective for use with infants with latch-on problems; as well as for moms with overactive let-downs; or for flat, inverted, or sore nipples. Cut-out shape allows for more skin contact between mom and baby.

Extra Small 16mm, #688238, Small 20mm, #688239 Standard 24mm #688240 | Price \$10.67
